**Baltimore, February 25, 1771.**  
BY an Order from the Royal Society, for the Encouragement of Arts and Manufactures established in the City of London, for the good of his Majesty's Subjects in general, I the Subscriber having been ordered from the Northern Colonies Eighteen Months ago, by the Society, particularly to this Colony of Maryland, to propagate the making and manufacturing of the alkaline Salts into Pot-Ash, Pearl-Ash, Cassop, and Markof Ashes, of which I have been, since the Year 1763, instructing in all the Provinces to the Northward of the Jerseys with such Success, that this Branch of Business is become a staple Commodity, and is the only sure Remittance they have for most Part of their European Manufactures, which they import from Great-Britain; and as I am now sensible the Ashes that I have seen in this Province are no Ways inferior to the Ashes to the Northward, I can assure the Publick, that the above Manufactory may be carried on to the general good of the Inhabitants of this Province; and for their Encouragement, any Person or Persons inclining to erect and be taught that Business, may have it in their Power at this Time, by applying to me the Subscriber, at the House of Mr. Henry James, in Baltimore-Town, where Letters, &c. will be punctually answered; and for the further Encouragement of this Branch of Business, so that all Materials may be had in this Province, I will undertake to erect Air-Furnaces upon the best and most approved Plan of any in America, for casting Metals, for the erecting of Works, for preparing the alkaline Salts for the European Markets, which Works are by actual Experiments now erected at Fifty per Cent. less than at the first propagating them in America, that those Persons inclined to erect such Works in any Part of this Province, will be surprised at the small Expence attending them, and the large Return made from them. I purpose teaching the above Business on reasonable Terms, or erecting and finding every Material at a certain Sum, according to the Largeness of the Works and their Situation. (w4)
