" Further particulars irom. Port au Prince have come to hand more our last. We learn, that from 30 to 32, inflead of 27, iquares are destroyed, (the town s composed f 44) and there the mon valuable. All Captain's itreet is confumed, and but very few, if my, of the princ pal merchants have eleaped. Not one of the fuff-rers had time to take his books or papers. We are in mently expects g turther intormation. We are as yet quiet here, and have little to apprehend ir in the mulatte es. At Fit Dauphin they have delivered up their cannon, and joined our army in that quarter. We have every reason to suppose that Aux-Cayes has luffered the fate of Port-au Prince. The miningents were in the neighbour rood of the town wen advices received last evening were dispatched-Im St. Louis was then in their possession. It is laid, my had warned the planters to retare to their planmons, on pain of fire and sword. The whites at to Loganne and Petit Guave are ditarnied. St. Maic aprobably experienced the tame tale."

WINCHESTER January 14.

The numerous accounts we receive troin the westward, are to contradictory, that we cannot, with any precision, determine which comes nearest the truththe following, however, comes through a channel which we think may be relied n:

by inf rmation received in Holftein, through the therekees, the number of Indians that attacked our my on the 4th of November latt, amounted to about four thousand. This account, they fay, was given of the northern Indians, who had come to men towns directly from the battle. Our killed was miled, by them, at fix hundred and leventy-two, and he killed of the Indians, they faid, was confiderably More. When some surprise was expressed, that many Indians had been killed, they replied, it was to be wondered at, for they had, at least, four umes the number of men to fight the white people
