By order,
NINIAN PINKNEY, Clerk
of the governor and council
of the State of Maryland.

An ACT to alter, amend and repeal, such parts of the second, third, fourth and fifth sections of the constitution and form of government, as relate to the judges, time, place and manner, of holding the several elections therein mentioned.

WHEREAS the holding of elections at any one place in each county of this State is attended with great inconvenience to all persons remote from that place, and operates to deprive many persons entitled to exercise of that right; and as it is desirable that the convenience and advantage of the people should be expressed in their choice of the form of government.

Be it enacted by the General Assembly of Maryland, That the several counties of this State, for the purpose of holding all future elections of delegates, electors of the senate, and themselves of the several counties, shall be divided into separate districts in the manner herein after directed, viz. And be it enacted, That Anne Arundel county, including the city of Annapolis, shall be divided and laid off into five separate districts.

And be it enacted, That Baltimore county, out of the limits of the city of Baltimore, shall be divided and laid off into seven districts, and that the city of Baltimore shall, at all future elections, form and constitute one district for the purpose of electing themselves.

And be it enacted, That all and every part of the second, third, fourth and fifth sections of the constitution and form of government of this State, which relate to the judges, time, place and manner of holding the several elections therein mentioned, be and the same are hereby rescinded, repealed and annulled, and the same shall hereafter be regulated by law.

And be it enacted, That if this act shall be confirmed by the general assembly, after the next election of delegates, in the first session after such new election, as the constitution and form of government directs, that in such case this act, and the alteration of the said constitution contained therein, shall be considered as a part, and shall constitute and be valid as a part, of the said constitution and form of government, to all intents and purposes, any thing therein contained to the contrary notwithstanding.

An ACT to alter and repeal those parts of the constitution and form of government that make the commissioners of Baltimore-town judges of the elections for delegates and for electors of the senate.

Be it enacted by the General Assembly of Maryland, That the mayor and second branch of the city council of the city of Baltimore, or any three or more of them, for the time being, shall be judges of the elections for delegates of the city of Baltimore, and for electors of the senate, and shall have and exercise all the rights and authorities respecting such elections which were vested in the commissioners of Baltimore-town, in virtue of the constitution and form of government.

And be it enacted, That all such parts of the constitution and form of government as make the commissioners of Baltimore-town judges of the elections for delegates, and for electors of the senate, be and the same are hereby repealed.

And be it enacted, That this act shall commence and be in force if it shall be published at least three months before the next election of delegates, and shall be confirmed by the general assembly, in their first session after such new election.

An ACT to alter such parts of the declaration of rights, the constitution and form of government, as prevent persons conscientiously scrupulous of taking an oath from being witnesses in all cases.

WHEREAS persons conscientiously scrupulous of taking an oath labour under many and great inconveniences, owing to their not being admitted to make the solemn affirmation as witnesses in all cases, instead of an oath; therefore,

Be it enacted by the General Assembly of Maryland, That the people called Quakers, those called Nicobites or New Quakers, those called Tunkers, and those called Menonites, holding it unlawful to take an oath on any occasion, shall be allowed to make their solemn affirmation as witnesses, in the manner that quakers have been heretofore allowed to affirm, which affirmation shall be of the same avail as an oath, to all intents and purposes whatever.

And be it enacted, That before any of the persons aforesaid shall be admitted as a witness in any court of justice in this State, the court shall be satisfied, by such testimony as they may require, that such person is one of those who profess to be conscientiously scrupulous of taking an oath.

And be it enacted, That if this act shall be confirmed by the general assembly, after the next election of delegates, in the first session after such new election, as the constitution and form of government directs, that in such case this act, and the alterations and amendment of the constitution and form of government therein contained, shall be taken and considered, and shall constitute and be valid, as part of the said constitution and form of government, to all intents and purposes, any thing in the said declaration of rights, constitution and form of government contained, to the contrary notwithstanding.

And be it enacted, That the several clauses and sections of the declaration of rights, constitution and form of government, contrary to the provisions of this act, so far as they respect either of the facts or matters aforesaid, shall be and are hereby declared to be repealed and annulled, on the confirmation hereof.
