PROPOSALS
For publishing in the City of Baltimore,
A NEWSPAPER,
TO BE ENTITLED, THE
Baltimore Correspondent,
AND
Merchants, Manufacturers & Mechanics
DAILY ADVERTISER.

BY **THOMAS HOWARD HILL**, PRINTER.
The proposed paper will be published daily (at noon) in order to circulate the earliest intelligence which may be received by the initials. It is proper that the intended editor should declare his intentions as to the manner in which he means to conduct the publication of "The Baltimore Correspondent." He pledges himself that it shall be held abstract from all party, and be conducted upon the most impartial principles—that it shall comprise the following articles, viz: all foreign and domestic news of the day; a regular detail of naval and military events; a correct and regular journal of the proceedings of the national legislature as also those of the different states, and all documents that may be submitted to them for consideration. And in the absence of the above general named intelligence, he will insert useful notices of the progress of commerce, (internal and external) or manufactures, and of mechanics, as indeed it is solely devoted to their advancement. A price current (corrected weekly) will be inserted upon the most convenient day.

The utility of such a newspaper at the present time is most certainly obvious to those acquainted with the time of the arrival of the great mail; and as it is the wish of the editor to make the contemplated paper as useful as possible, he promises to use his utmost exertions in collecting of intelligence that may be useful and interesting to those who may favor him with their support.

TERMS.
"The Baltimore Correspondent" will be printed on a half sheet super royal, at five dollars per annum, payable half yearly in advance—the paper for the country at three dollars in advance. Advertisements to be inserted on the usual terms unless otherwise contracted for by the year.
Arrangements are now making to anticipate news by letter.
