I have within the last two years thad an opportunity of seeing several sases of very inveterate ulcers, which having resisted previously the regular modes of treatment, were healed by the use of Mr. Swaim's Panacea, and I do believe, from what I have seen, that it will prove an important remedy in scrofulous, venereal and mercu rial diseases.

I have employed the Panacea of Mr Swaim in numerous instances, within the last three years, and have always found it extremely efficacious especially in secondary syphilis, and mercurial disease. I have no hesitation in pronouncing it a medicine of
