Anne Arundel, Calvert, Charles, Baltimore, Talbot, Cecil. Prince George's, Queen Anne's, Wor-cester, Frederick, Harlord, Caroline, Washington, Montgomery

The committee cannot but lament this apparent disregard to the interests of literature and science; and, with intent to attract the earliest notice and consideration of the proper age ats, whose high and responsible duties would effect the intention of the legis-lature in exposing a full and fair exhibition of the public minds facince for an object of such importance, and a just view of its distribution and application, they beg leave to recommend a suspension for a limited time of the pain of furfeiture, which has been incurred by the said defaulting commissioners, trustees, or missioners of the said defaulting commissioners. offer a thorities; and to propose a remission, under certain con-ditions, of the said penalty.
