THE JOURNAL

BELLES LETTRES. A NEW AND STRIKING CHARACTER ADDED TO

WALDIE'S CIRCULATING LIBRARY.

THE Proprietor of this work, anxiousto gratify his readers to as great an extent as his means will allow, respectfully annuunces to the public that the very liberal patronage he has received has enabled him to add a new feature to this periodical, which he believes cannot fail

to prove interesting and valuable. THE JOURNAL OF BELLES LETTRES, embracing three to four pages of additional new mat-ter, will be given every week as an accompaniment to the Circulating Library, and will

1. Early reprints of the reviews and notices of new books, from the weekly and monthly periodical press of London, &c. These reviews will be carefully selected with reference both to imparting correct information respecting such new books as are reprinted in America, and to convey literary intelligence in regard to works which rarely fird their way across the Atlantic. As great exertions will be used to make this department instructive and entertaining, the preprietor is confident that it will be considered an important addition, by neans of which his numerous subscribers will frequently avoid the expense of purchasing such books as are printed on the calculation that their titles or the reputation of their authors will sell the edition. This part of the Journal will embrace a considerable amount of extracts will embrace a considerable amount of extracts from new books of travels, memoirs, biography, novels, and its fact present a bird's eye view of new publications, early diffused through the Union, by means of the facilities of mail trans-

The London Literary Gazette will be culled for this purpose, while the "Critical Notices," of the London Metropolitan, the Monthly, New Monthly, the Gentleman's, Blackwood's, zines, already regularly received by the editor,

will be freely used.
2. Varieties, embracing literary anecdotes, new discoveries in science and the arts, sketches of society and manners abroad, literary and learned transactions, short notices of new books. to lovers of reading, with occasional speci-mens of the humourous departments of the London press, which are within good taste, and are now published in to other

journal in America.

3. A regular list of the new brooks pain and and in progress in London and America.

4. Occasional original horices of the wither rican publications, with extracts embracing their prominent features of excellence or de-

No additional charge will be made for this great increase of trading matter. It will be contained on the pages of the cover of the Library, and therefore subject subscribers who receive their numbers by mail to no additional expense of postage.

A. WALDIE.

Several applications having been made to Several applications having been made to ascertain the manner in which the original department of notices of new books with be or ducted, we take the present early opportunity of stating that, at least they shall most me quivocally be.—UNBOUGHT. The presentation of a copy by the publisher shall not be passport to praise, when the merits of the work do not warrant it; so that our readers may be assured of two things: First—books shall not be noticed the next day after they are received. assured of two things: First-books shall rock be noticed the next day after they are received; and, secondly, they shall not be reviewed be fore they have been read. We have no royal road to puffing, and will be the less likely, therefore, to fall into the error of an uniocky wight, who, in his anxiety to be the first to blow the bellows of criticism. read the preface onig of a duodecime, and gravely entered his ap-probation of two chapters which, unfortunately for his critical acumen, had been omitted, while the prefatory reference to them had been, by mistake, retained. This predicament was worse than that of the London editor, who criticised some passages of Cooke's acting, and found when he rose next morning, and his paper was all over London, that the play had

For the rest, time must develope our course and our capabilities; in cases where the n-nal courtery of the trade is not extended to this journal, unlike most of our cotemporaries we shall buy what books we want, and give to such
