

Promise but I came him to tell the Gov^t & Council when he was well he would wait upon them & further with not

June 21 die August 1693 Rich^d. Southern

Maryland^s Mich^l Greenbury, Thomas Tench

The Separation of James Beck aged about 47 Years declareth

That as he happened about the last of June or the beginning of July 1693 at a Store of Mr^s Jacob Moultons in Calvert County accidentally happened there Coll^o. Henry Conlas & was there together with Mr^s. Alhey & Mr^s Moulton very friendly the Coll^o & I thought together with little Drunk by & by Coll^o. Conlas told me he would speak a word ^{or two} with me we went out together the Coll^o askt me whether I Bell & I told Mr^s Tench that had it not been for Bell & you I had gone to Maryland. I replied that indeed I had never opened my mouth to say Tench with the name I thought he was satisfied but when we came in he called Mr^s Tench Pityful Fellow & that when all matter was done he came in but he was sure he had been a loyal Subject & had done all the Business immediately he fell from Mr^s Tench & his discourse was concerning Mr^s Blakiston as he called him I by God there is another pityful Fellow as - how many Sillies have I washow from him but God damn them he would keep them to wipe his arse Why so I replied was I as you I would keep them & show them to Coll^o Blakiston but by & by he said it would not be long before he should see the best part of them now in Power
