

The Governor of Virginia that in Case they or either be  
in his Government..... to have  
them Apprehended & Delivered to this Government &  
that he will now issue his Proclamations to the Several  
Sheriffs of that Colony to take them and deliver them  
to this Government Otherwise if any Misfortune or In-  
justice should happen for want thereof it cannot but  
be imputed to him

July the first 1698 - 146

The Council againe late & were present as Yesterday  
And the severall Depositions given his Majesty's  
Council at Law to purpose being read in Council are as  
followeth viz

Mr Gilbert Clark of Charles County deposes that  
that being in Company with Mr Governor Sly at the  
said Mr's house Sly drunk a health to Langston where  
upon the Deponent asking whose health that was Sly  
told him it was a Gentlemans that was coming in  
Governor of Maryland the Deponent did hear the said  
Sly about the beginning of May last publicly discourse  
that having entertained a Solicitor who was a Grand  
Jacobite to manage his Articles put in before the Lords of  
the Committee of trade and plantations against his  
Excellency Francis Nicholson the day following being  
with this Solicitor so returned there came another Gentlem<sup>n</sup>  
a Jacobite who applyed himself to the said Sly Solicitor  
And told him that he came to detain him for a very honest  
Gentleman Whereupon the said Solicitor told him if not  
detained by the other party he would embrace the Cause &  
upon the Gentlemans making him acquainted for whom
