

that was lost, and to enquire, what News, that he overtook the Shuan Indians at Bohemia, that the War Captain whose Name is Mefowan was with them, that He was seven Days in going thither, stayed there about three Days and was six Days in returning, he further saith that he heard at the Conoy Town the Seneca and Shuan Indians wanted to fight with the English and the Indians, He likewise saith that at his Return He found Panguash and Our Indians in the Swamp and no strange Indians with them, that he stayed there about a Week, and that he does not know the Reason why Our Indians left their Towns and went to the Swamp, He being at the Conoy Town at the Time

The Examination of Indian Pattawahook This Examinant saith that about a Month before He was brought to this Town, as he was going up to the Conoy Town with Joshua being sent thither by Panguash to carry News to the Indians & to see for some Peak that was lost which He heard the Shuan Indians had found, he overtook twenty Indians at Bohemia who had been at Chicacoan Town and that the War Captain whose Name's Mefowan was with them This Examinant saith that the News he carried up to the Indians was, that what had been before concluded on between Panguash and the Shuan Indians was knocked on the head for that Season, and that they need not come down, that he heard from the Indians at the Conoy Town, that the Indians did design to cutt off the English, that He was about 8 Days in going  $4\frac{1}{2}$  Days there &  $5\frac{1}{2}$  Days in coming down & upon his Return found Panguash and the rest of the Indians in the Swamp who stayed three Days after his Return, and then all the
