By a petition of John Hutchens of Caroline County, it appears that he was fined by the County Court of said County, at March Term 1826, the sum of sixteen dollars, for retailing spirituous liquors without license.

The petitioner states, that, not being able to pay the said fine, he was thrown into prison, where he has remained until the present time and must remain still longer unless relieved by Executive Clemency; and that for as much as he has been a long time confined, and the punishment he has suffered is fully adequate, to the offence, he prays that the said fine may be remitted. He further states that he has a wife and family, who must necessarily suffer when deprived of his assistance. And the said Court having recommended a remission of the said fine, we do, hereby remit the same.
