He further states that from the situation of said Reicher's affairs he apprehends that he may suffer no account of said recognizance, and as he is satisfied that he was not wilfully forfeited, he prays that the said forfeiture may be remitted. And the petitioners having produced a certificate signed by several persons stating that they saw the said Reicher attending the said Court, and also a recommendation by the said Court for a remission of said forfeiture. We do, hereby, remit the same.

By the petition of the unigen Manufacturing Company, petitioned for by William Guzman Esquire their Attorney, accompanied by a transcript from the Records of Baltimore County Court, it appears, that a certain John Copeland, agent of the said Company, was fined by the said Court, at March Term 1826, the sum of one hundred dollars, for selling foreign Merchandise without Licence. The Petitioners state that they had no intention to evade the Laws of the State, but that the sale of articles for which their agent was presented was made between the expiration of one Licence and the taking out another. They, therefore, pray a remission of the said fine. And the Court having recommended the remission thereof, We do, hereby, remit the same.
