By the petition of Nathan Harrigan of Charles County, accompanied by a transcript from the Records of Charles County Court, it appears, that he entered into a recognizance together with Alexander Dent his security jointly and severally in the sum of \$50 for his appearance before the said County Court, at August Term 1824, to answer a presentment against him. The Petitioner's story that he was informed by his Counsel, that the case was postponed for want of the evidence of an absent witness, and that he has since attended the said Court every term. By a transcript from the Records of Baltimore City Court it appears, that at the February Term thereof last past, a certain John Adams was fined by the said Court the sum of sixteen dollars in each of three several cases for selling liquor without licence. Upon the said transcript is endorsed as follows Viz - Baltimore City Court February Term 1827. The Court are inclined to believe that John Adams was misled by the advice of persons in whom he thought he could confide, and has ignorantly violated the Law in selling under a licence granted to another person, which is just & signally. The Court, therefore, respectfully recommend a remission of the above fines, or payment of costs.

Attest
 Wm M'Keen

We do, therefore, hereby remit the said fines
