The Petitioners state that sometime in the Winter of 1826 the said Lancelot Sewell, was committed to the Jail of said County, on a charge of Larceny, that observing the destitute condition of the said Sewell and the ruinous state of the Jail and believing that the prisoner must suffer much, and in all probability perish from the excessive severity of the weather, if longer kept in confinement, from motives of humanity, they entered into the said recognizance for his appearance as aforesaid. They therefore pray to be released from the said forfeiture. And the Court having recommended a compliance with the prayer of the petitioners we do hereby remit the said forfeiture.
