

By the Petition of Charles Kimmont, accompanied by a transcript
from the Books of the County Court - it appearing that he was fined by the
said Court, at the May Term 1828, being delinquent in a small and battery
on Joshua F. Batchelor. The Petitioner states, that although he has been
convicted of the said offence, yet, that in point of fact he was entirely innocent,
having had no participation in the assault, or in the concert and arrangement
which led to it, that he is very poor, and has been confined in jail, and since his
conviction, for the non-payment of the said fine, which he is utterly unable to pay.
He therefore prays a remission of the said fine. And sundry respectable citizens
of the said County, having recommended a compliance with his prayer, would
he by remit the said fine.
