John C Davidson, of Worcester County Commissioner, on the part of this  
State, to meet any Commissioners or Engineers which have been or may be appointed by  
the commonwealth of Virginia and the State of Delaware, to make a survey of the  
Sound which run parallel with the Low Coast, between the Chesapeake Bay, at or  
near Cape Charley, and Lewis Town Creek, on the Bay of Delaware with a view to the

By the petition of Nathan Waters it appears that at April Term 1831 of  
Prince Georges Court, he was recognized together with a certain John W  
Hoyatt, as his security, in the sum of one hundred and fifty dollars, each, for his  
appearance before the said Court, and that the said Recognizance has  
been forfeited. The petitioner represents that on the day the recognizance  
Docket Perry called he attended to answer to his recognizance, but that at  
the moment of calling by the Clerk, he was out of the Court Room, and  
consequently his recognizance was entered forfeited, that in a very short time  
after the recognizance was called and entered forfeited he appeared in Court  
and remained for some time afterwards, and that thinking he had complied  
with the requisites of the recognizance he went home, and thought no more  
of the matter until he was taken into the custody of the Sheriff in virtue of  
a capias ad satisfaciendum for the said forfeiture. He, therefore prays for  
a remission of the said forfeiture, and the Judges of the said Court having  
recommended a compliance with his petition, we do hereby remit the  
said forfeiture.
