By the petition of James A. Warwick and Emory Herby
and a receipt from the Clerk of Caroline County Court, it appears
that they entered into a recognizance with Alfred Stuart on the 5th of
October 1829 in the sum of twelve dollars each for the appearance of the
said Alfred Stuart before the said County Court to answer for and
that the said recognizance has been forfeited. The petitioners state
that in compliance with the tenor of the said recognizance, they caused
the said Alfred Stuart to appear at said Court, but being ignorant of
the exact time of his appearance they did not deliver him up to the Court, that
having carried him to the Sheriff they supposed that they had discharged
the said recognizance. They therefore pray for a remission
of the said forfeiture. And the said Court having recommended
in compliance with the prayer of their petition we do hereby remit
the same.
