

Let it be a defect of a Letter to Mr Calvert herewith send you will
be your advice me to do as I cannot but think such. Friends will just
whom you have long have known and that one of my Brethren has
M. ... to get the rest depended to, but as you have been
and ... that purpose I am inclined to think they were as well
... Design to render me more suspicious of favouring them than
... has gratitude. I think they would consider you I have
... in their behalf. I could have succeeded many
... when by acting a moderate part I have
... inveterate Enemies. I wish they will receive it kindly
... on this Occasion, for if they do not succeed in
... the Assembly will be encouraged to take more
to ... obtain Relief some of the wretched Practitioners will
... as to say the Govt under a Reception of ...
... agreeable to the Terms of the ...
... made long since are declared ...
... large Tracts of Land among us ...
... for Education, these are in my Opinion your ...
... None of the Colonies but Maryland's ...
... of that persuasion ...
... I know not what Interest they may have at home but if
... it is not inconsiderable. I hope they will not
... at least that he will not ...
... Nothing could be more impolitic than his taking ...
... I am sorry to find that many of the people already ...
... foreign Education. He might perhaps seek to ...
... You will from this hint be better able to ...
... for his own, give due satisfaction of

To Lord Loudoun the 12 of Oct 1756.

I am now to acquaint your L^{ty} with the Resolutions of the Assembly
of this Province upon the ...
Obedience to your L^{ty} Commands I
