402. Sir. We return you Thanks for yours of the 3rd Inst. and the Trouble you have been at, in receiving the Goods of Capt. 403. Sir. Yours of the 30th Ult. & Giles, we have received and are glad you have been relieved from the major Part of the Starves delivered to you; those that are judged to be unfit for public Use, we wish you to have pastured on the best Terms you can. As the Assembly will meet next week, we must wait their Determination, to know what will be done with them, in the mean Time, we think, as little Expence ought to be incurred as possible, without injuring the Starves, and, if it was in our Power, would most readily relieve you from the Expence & Trouble of them, but can not, now, order them to be sold in the manner you point out. Mr. Lee & Mr. Gilpin inform us they have procured Waggons which were procured for the Public, if they are such as are fit for Service, you will receive and have them delivered to the Continental Quartermaster in this State.
We are &c.
Col. Henry Stollingsworth.
