

In Council April 18 1798

The enclosed letter which is a copy of one written to the President of the Bank of Maryland will show to you that the money granted to the sufferers of cholera is now deposited where you desired it should be.

I have made it subject to the orders of the Senate
the Governor of the State or the Mayor of the City
- I cannot under an idea that it may equally
suit either you or the Governor as well as the
Mayor to have the authority to place this
- in where it may best answer the benevo-
lent intentions of the Legislature of this State
