Dear Sir,

Will you be good enough to inform me, at your earliest convenience, at what time it will probably be in your power to close the case of the State against the official bond of John H. Hodson for monies due on account of State taxes for the year 1842. This claim is one of long standing and although I should regret to see Mr Hodson put to inconvenience, yet the public interest requires that the money should be collected.

I am very respectfully
Your obtt servt
Philip F. Thomas.
