I have had the honor to receive your communication of the 6th inst, in reference to the papers deposited with our Society under a resolution of the Legislature Dec. Session Eighteen hundred and forty six.

It is a matter of much regret to us that they should so soon be taken out of our hands; but the resolution is explicit in its terms and we must submit.

The Society shall be placed in possession of your communication and His Excellency be so advised at an early day, and I will have the pleasure of again addressing you on the subject.

I am with

Much respect

Dear Sir,

There is a difficulty in making out the records of Baltimore City Court, in as much as the Court have received no official intimation that the resignation of Judge Worthington has been accepted, and they cannot therefore tell whether his name should be inserted or not as a judge of the Court. I write, in the absence of Mr. Richardson to ask that your Excellency will direct official information to be furnished to the Court on the subject & remain

with the highest respect
