the said Act, and for that this House is informed by some of their Members that many of the Inhabitants of this Province are upon the Encouragement of the said Act making considerable preparations for Planting, The said Act Prohibiting the Importation of Negroes &c. to be not repealed but stand and be in force according to the Purport and intent of the said Act hoping that the Insolency Complained of by the Upper house of some particular Planters will in no wise impede the good intent and Design of the said Act, which they are Confident (Notwithstanding some present Inconveniencies of the same) will soon turn to the generall good of the Province and Answer the reasons and Designs for which it was made

Sign'd by Order &c. Boteler Cl. of the Lower house of Assembly

Ordered that this House do desire a Conference with the Upper house of Assembly upon the Subject matter of the Message sent down to this House by the Gentlemen Justices of the Peace for the County of Baltimore, and that Mr. Speaker do name the Managers on the part of this House
