

Justice herein for the future

Signed & Order (Boteler C. of the Lower house of Assembly.  
Whereupon Voted in this house & endorsed upon the Message above viz:  
Upper house November the 12th 1681

In answer to the within Vote of the Lower house this house do say that  
a Bare Vote of both houses can no wise be forcive for any Court of Justice to  
Proceed upon unless passed into an Act which this house conceives the time now  
will not permitt and consequently a concurrence to the same altogether need less  
Desire the same may be referred to the consideration of a future Convention
