

clause? Determined in the negative. The question was then put, Shall the said bill pass? Resolved in the affirmative, and sent to the senate.

Mr. Donaldson delivers the following report:

THE Committee to whom was referred the petition of sundry inhabitants of Baltimore county and city, praying that they may be permitted to turnpike part of the old Harford or Long Green road, from the city of Baltimore to the Herring Run, and as much further as their funds will admit, Report, That they have had the same under consideration, and are of opinion that the prayer of the petition ought not to be granted. The said road is much frequented by travellers, both from Baltimore and Harford counties and elsewhere; and the part contemplated to be turnpiked, would be of inconsiderable importance to those who live at a distance, and who in coming to Baltimore had travelled over a considerable extent of road without being turnpiked. Your committee believe that the contemplated turnpike would be highly opposed by the great body of persons using the road, was the application of the petitioners generally known; and under this view of the subject, your committee cannot gratify the petition, and recommend that the petitioners have leave to withdraw their petition. All which is submitted.

By order,

S. BRADFORD, Clk.
