

Contrary it seems he hath not only fomented Di-
 visions but also lived a most scandalous life whilst
 he was there with certain women which he carried from
 hence with him there leaving his wife here in a misera-
 ble Condition / all which was unknown to us till of late
 since his return from those Parts / and did likewise whilst
 he was there most profanely in publick discourse pro-
 fess himself of no Religion of all which we have by se-
 veral Evidences here as well as from thence so good Proof
 as we find upon our charging him therewith since his
 return from thence he cannot make any good Jus-
 tification of himself therein Wherefore we do much la-
 ment our Misfortune in giving him any Countenance
 or Authority who hath so much abused the same by dis-
 honouring us and Our Government there as much as
 in him lay and have thought fit to discharge him there-
 upon from being any more of our Council of State there
 as we do by these Presents declare him to be discharged
 from it and also from all other publick Authority of Jus-
 tice a Peace or otherwise whatsoever in our said Province
 requiring you our said Lieut not to permit him hereafter
 if he shall return again into our said Province to act there
 in any thing for the future as one of our Council of State
 or Justice of Peace of Our said Province and for the more
 timely Prevention of any such high Offences to Almighty
 God and such dishonour to us and our said Government
 hereafter as aforesaid by any in eminent Authority there
 We do hereby declare that in case any Person who is or
 shall from time to time be of our Council of State or Com-
 mander of a County or Justice of Peace in our said Prov^d
 shall / which God forbid and we hope will never more
