

127

either by act of Assembly to be made otherwise as for the future may best prevent the like evils.

2<sup>nd</sup>. That the present act of Assembly for y<sup>e</sup> better regulating the Militia of this Province is at present altogether impracticable and insufficient therefore that every four or five Taxables be obliged to finde a Trooper or footman with necessary arms &c and that the act therefore be new Modell'd.

3<sup>rd</sup>. That the County Credit is much undervalued and impaired - and the severall Sheriffs complaine and say the reason thereof is because of the shortness of their Continuance in their said Employments.

Therefore proposes that a Law be made to have two or three of the most substantiall persons in every County to undertake the said office and pay y<sup>e</sup> publick Tobacco at certain places in y<sup>e</sup> County.

4<sup>th</sup>. That the Count<sup>y</sup> Expenses in attending their County Courts are not well settled, his Ex<sup>ty</sup> having had a Complaint thereof from Somerset County.

5<sup>th</sup>. That for saving Charges to y<sup>e</sup> County of a new Comon when any of the Justices of the County dye or Remove themselves out of the County a Law be made to impower his Ex<sup>ty</sup> Ward<sup>t</sup> under his hand and seale to appoint a Com<sup>t</sup> and such Com<sup>t</sup> having taken the Oath appointed and incident to his office, to be thereby legally qualified to sit and act as a Com<sup>t</sup> in y<sup>e</sup> said County as aforesaid.

6<sup>th</sup>. That there is a great abuse intercepting and Imbezling peoples Letters in this Province, and that the Assembly would make some Law to oblige Masters of Ships to deliver the same to the severall Collectors and that Mr. Perry the Post be obliged to call upon such officers for the dispatch of such Letters according to their severall Directions.

7<sup>th</sup>. That a Law be drawn to confirm titles to Lands, whereon Churches and Chappels, have been built, and to enable the Vestrys where there shall be occasion to build Churches or Chappels to purchase Land therefore.

House adjourned till 2 a Clock.

Post Meridien, House mett - and proceeded to Resolve upon y<sup>e</sup> proposalls from his Ex<sup>ty</sup> the Governour as follows to.

1. - And Resolved that as to the first proposall relating to the Indians that the same be referred till Major William Barton appears in y<sup>e</sup> House.

2. - Resolved that his Ex<sup>ty</sup> proposall relating to the act for the better &c regulating the Militia be referred to the Committee of Lawes to consult and make Report thereof if it be convenient that at present a Law be made therefore.

3. - Leave given to bring in a Bill for redress of the public Credit.

4<sup>th</sup> - Resolved that y<sup>e</sup> County Com<sup>t</sup> Expenses are already well settled.

5<sup>th</sup> - Resolved that his Excellency's proposalls relating to the appointing
