

Which Report was read and concurred with.  
Mr. Edward Tilghman also brought in, and delivered to Mr. Speaker, the following Report.

By the COMMITTEE of GRIEVANCES and COURTS of JUSTICE.

YOUR Committee beg Leave to report, that upon Complaint of several of the People of Prince-George's County, of excessive Charges of Fees upon Re-surveys of Lands, did inspect several Years which were laid before them, and were of Opinion, the Fees were charged in a Manner not to be supported by the Table of Fees established by Law; but the Cases being very complicated, and the Application made late in the Session, your Committee thought it wou'd be proper to refer the Matter for full Consideration to the next Session of Assembly: And as your Committee, from what has appeared to them in the Course of their Enquiries this Session, from the Diversity in the Manner of charging County Clerks and Surveyors Fees, and from general Report, cannot but be of Opinion, that the Officers of this Province, in general, pay too little Regard to the Regulation established by Law, in charging their Fees, humbly submit it to the Consideration of the House, whether it would not be proper for the Members of the respective Counties, to examine in their several Counties, as far as they can, into the Charges made by the several Officers, and bring such Accounts as to them may seem exorbitant, to the next Session, for Examination and full Consideration.

Your Committee beg Leave further to report, that they did expect several Letters laid before them, from St. Mary's County, relative to some irregular Conduct of a Parish Priest there, but the Letters being long, and the Session drawing near a Conclusion, your Committee were of Opinion, the full Consideration of that Matter also would be well to be referred for a more full Examination than the present severe Season will admit of. All which is humbly submitted to the Consideration of your honourable House.

Signed per Order,

HENRY GASSAWAY, Cl. Com.

GENTLEMEN,

YOUR Address of this Morning contains an heavy Charge against Mr. Lee, the Sheriff of Charles County: Be assured, that I shall immediately proceed to make a full and strict Enquiry on the Subject; for as, on the one Hand, Officers who faithfully discharge their Duty are entitled to my Protection; so, on the other, I shall ever think it incumbent on me to give the greatest Discouragement to those who do not.
