

gave us a short Visit - they are much chagrined, as to be
at their being a large Report belonging to Mr
Hudson, that was loaded with Provisions by Order of
the Congress, and had been made a Prize of, but a
Day or two before; and at their Disappointments in
accomplishing their Design of taking the Ship Defense
which by all Accounts they made sure of effecting, and
was their grand Object, - just before they weighed Anchor
a Flag came on Shore with some Prisoners, who said, they
had been treated with great Humanity, and in Return
it was thought proper to compliment the Officer with two
Quarters of Beef - As soon as they can get a
Reinforcement, which we imagine they are gone after,
we expect to have another and more important Visit,
and are making the best Preparations in our Power
