

that your Attention is engaged on Subjects of more Im-  
portance. We have here to fore requested you  
would let us know the Pay of Officers and Seamen  
engaged in the Continental Army, and must again  
remind you, of sending it to us, that we may settle  
the Pay in our Provinces, - We can spare fifty  
Pieces of the heaviest Duck, and most unfit for  
Tents, the Pack you will be pleased to forward to us  
by the Stages - It is quiet here at present, Nothing  
new only that the Man of War in her Passage down  
plundered Sharp's Island and carried off some Stock  
and had taken a small Vessel belonging to Capt  
Taylor - a flying Report by Charles Landis  
this Day that they were lately seen at the Mouth  
of Potomack - Your Information with  
Regard to Mr. Temple falls much short of the great  
Expectations raised by the Public-Papers, and by  
private Letters here to fore received; be pleased to  
send us the earliest Intelligence which May Lord  
Howe steers his Course from Boston, that if he
