

of every Part of the Province and that we will not
reduce your stock below your Proportion - It appears
by a Report of the Committee appointed by the last Con-
vention, to enquire into the State of the Arms and Ammu-
nition, that there were 1205 $\frac{1}{2}$ Powder in your County,
and since then there have been but 250 sent to St. Mary's,
so that you have now 955 $\frac{1}{2}$ remaining - We desire
you will therefore immediately dispatch the Barrel
of Powder and Lead ordered to Labour - When a further
Distribution is made, we will supply you with your
Full Share.

N^o. 80. To John Hanson Esq^r Chairman of the Committee
of the M. District of Trinidad County;

Sir We received your Letter of the 11th Inst^s
advising us what Price Sulphur bears in your County -
We do not think ourselves authorized to exceed the
Prices ascertained by the last Convention, which was
8^d $\frac{1}{2}$ - therefore have to inform you we cannot advise
the Purchase of it at 8^d $\frac{1}{2}$.
