

N. 84. To Mr. Stephen West

Sir We have been informed that you have a
Quantity of coarse Blankets, that are very suitable
for the Soldiers, who are in great Want of that
Article, and are afraid it will be some Time before
we shall be able to provide them, and that the Soldiers
in the mean Time may suffer very much for Want of
them; under those Circumstances & from the Heat you have
manifested in the Cause, we make no Doubt, but that
you will readily spare all you possibly can, notwithstanding
you may have laid them aside for the Use of your
Family: you'll please to write us on this Subject
the first Opportunity and acquaint ^{us} what Blankets
you may think proper to supply the Publick and the
for which we will send you an Order on the Treasury
if order them directly here. Yours &c
25th March 1770.
