

N<sup>o</sup>. 95. To John Hanson, Lt. Beatty & Sgt. Johnson

Gent<sup>l</sup> Our regular Troops are not yet provided with Arms,  
but might be in a very short Time, if we could have a  
Supply of Gun Locks from you; We desire therefore to  
be informed in what Forwardness you have got your  
Manufactory, and when you expect to furnish us with  
some - We are &c

29<sup>th</sup> March 1776.

N<sup>o</sup>. 96. To Lt. Joshua Beath.

Sir The Council of Safety desire you will imme-  
diately examine into the Quality of the Powder now  
under your Charge, and give them a particular Account  
of the Quantities of Cannon and Fire.

29<sup>th</sup> March 1776.
