

that Leonard Town is the proper Station; should you
think otherwise, we should be glad to hear your Reasons
that we may concur with you; we wish to harmonize
in every Thing, that is for the good of the Country.
D. Sept: 1776. *Waring*

N: 103. To Capt: John Allen Thomas. —

Sir Yours of the 18th Ult: we only received the
3th — We cannot conceive that any Letter, that
we wrote to you, can justify the Inference, that you
have drawn, that if your Station is to be at Leonard
Town, that your Company is to defend that Place
only. It was proposed, because it was more central
than any other in the County; that you might be within
a Days March of any Part of it — But if the Com-
mittee of Observation should be of Opinion that any
other Station is more convenient, we shall readily conform
and order you to it, or if they should be of Opinion
that your Company should be divided and stationed
