

County ...  
County, and ... into the  
hands of individuals ... have been  
put into good order and ... for service by  
them at their own expense, that the said Committee  
transmitted a report of the same to the Council of Safety  
with the necessary expenses incurred, that such individuals  
may be reimbursed out of the public Treasury, in full  
of the sums paid at the time of such delivery. Also  
attends particularly to those items which are still out of  
repair and to have them put into good order as soon as  
possible and necessary as they conveniently can to furnish  
the Council with a State of the whole. And that the said  
Committee deliver such of the said arms as are fit for service,  
and where necessary are repaired to a Major General's care.

Ordered that Mr. William Spear of Baltimore  
and ... be purchased of him by the Council of Safety  
towards ... the ... of this Province.

Ordered that the Commissioners of the Loan Office  
be required to furnish the Council of Safety with a list  
of the Bonds in that Office, and of the Obligees, the  
Date, and principal value of the same in each respectively.  
A Letter was received from Mr. ... and  
answered.

Copy of the Letter ... was sent to Capt. ...
