DEMOCRATIC TICKET.

FOR PRESIDENT,
GROVER CLEVELAND,
OF NEW YORK.

FOR VICE PRESIDENT,
ADLAI E. STEVENSON,
OF ILLINOIS.

FOR CONGRESS,
BARNES COMPTON.

Senator Hill said in his speech in New York the other night that "incidental protection was unobjectionable," That is the true watchword of the Democracy. Protection such as the McKinley enactment affords is objectionable for the reason that it creates a class as inimical to free government as the feudal system which for so many years trespassed upon the rights of the people of Europe. It requires but a slight effort at observation to see that the rich of this country are getting richer and the poor poorer. No country can have so many millionaires without the people contributing to their wealth. They do not dig it from the earth neither do they draw it from other countries. It is insiduously drawn from the people's pockets. A protective tariff fosters trusts. Trusts advance the price of coal, lumber, glass, farming implements, and the necessaries of life generally, the consequence is a crop of barons, who, reaching out still farther in the direction of aggrandizement, maintain a large corruption fund and the spirit of the constitution is disregarded. The tariff is the burning issue of this campaign and will not down.

The re-union of the Federal veterans in Washington Tuesday last was the largest military demonstration this country has witnessed since the war, there being about 85,000 men in line. Fully 250 000 strangers were in the city. It was not so much a gorgeous pageantry as a happy re-union of men who desired once more to be in line in a city where in fierce exultation they celebrated the results of the war. In appearance they were but a shadow of of what they were in 1865, All had aged. Many were armed with the symbols peace. Among the many bright congratulatory remarks made was the following from ex-President Hayes:

"I am always in the habit of saying when speaking of my war experience that most of it was in Virginia, except when we chased the rebels out or they chased us out. I used the word "rebel" in a Pickwickian sense because there are no rebels now. We are one people. You are all in Washington now enjoying what was accomplished by the greatest of all men, Abraham Lincoln. The first question of the war was that the Confederacy believed in State's rights, the right of each State to govern alone while we of the Union believed in the maintenance of the union of the States. When the war ended every man, no matter on what side he fought, knew that never again would there be an attempt to cause a division of the States."

All doubts as to the position of Senator David B. Hill, of New York, were set at rest Monday night when he addressed a great meeting of enthusiastic Democrats at the Academy of Music, of that city. He announced his intention of unqualifiedly supporting the national ticket and made a ringing speech defining the position of the Democratic party.

DEMOCRATS, attend the Democratic Mass-meeting at Woodstock to-day and pledge your support to the cause of Cleveland and Compton, the cause of tariff reform and honest government!

The tariff of 1846 was yielding abundant revenue and the business of the country was in a flourishing condition. Money became very abundant after the year 1849.—"Blaine's Twenty Years in Congress."

Beware of Ointments for Catarrh that contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co, Toledo, O., contains no mercury, and is taken internally, and acts directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co.

Nine Cents a Week of an Increase.

Senator Aldrich, of high "protection" fame, claims that the McKinley bill, the year after it was enacted, increased wages three-fourths of one per cent. He figured out that wages went up that much; he could figure out no more. Better statisticians than Senator Aldrich show that the McKinley bill did not increase wages at all. But assuming that the Senator's claim is fair, what a pitiful showing he makes, in view of the exaggerated assertion the high tariff Republicans have been making as to the extent to which McKinleyism has aided the workingman. An increase of three-fourths of one per cent. means the immense sum of nine cents a week, which is less than five dollars a year. As the McKinley bill increased the cost of living a good deal more than nine cents a week, it is hard to see where the wage-earner has been benefited, even if Senator Aldrich's three-fourths of one per cent. claim was correct.—York (Pa.) Gazette.

IN MEMORIAM.

At a meeting of St. John's Church, in Queen Caroline Parish, Howard county, on the 17th inst., resolutions were adopted as follows:

WHEREAS, It has pleased Almighty God to call to his eternal rest our old and esteemed friend and fellow vestrymen, the Hon. Anthony Kennedy, who, for twenty-eight years, served St. John's Church as a member of this body, therefore be it

Resolved, That in the death of our genial and generous associate, the Vestry and Congregation sustain a great loss, the loss of one who was always most liberal in the Church's support, most agreeable in his intercourse with the Vestry.

Resolved, That the vestry place on record their appreciation of his liberality in continuing his contributions for years after his health necessitated his absence.

Resolved, That we tender to his sorrowing children our sincere sympathy and invoke in their behalf the consolations of the Holy Spirit.

Resolved, That these expressions of our feelings be published in the local papers and in the Maryland Churchman.

A TRIBUTE OF LOVE FROM EMORY M. E. SUNDAY SCHOOL.

Eva J. Clarke was born in Anne Arundel county, Md., in the year 1865, and died in the City of Baltimore in early morning of September 11th, 1892. She was converted when a child and grew to become a consistent member of the M. E. Church South. About three years ago she came to Ellicott City,—being teacher at the time of the Public School at the "Thistle,"—and made her home with Mr. and Mrs. O. H. Mercer. Soon after she joined Emory M. E. Church, and became a zealous worker in its various departments, especially in the Sunday School, and by the following preamble and resolutions, we give expression to our thought.

WHEREAS; Almighty God, our Heavenly Father, who, we believe, never does and cannot err in any of His acts, has seen fit to summon from our midst, just when we felt the greatest need of her presence and influence, to her eternal home, our dearly beloved sister and co-worker, Eva J. Clarke, whose sweet face was ever expressive of the inward feeling of her devotion to her Heavenly Father and which, when we beheld, influenced our hearts unto a similar state.

In the day school and in the Sabbath school she was an example, a fit model to pattern after. Her patience was wonderful. In the Prayer Meeting her experience was expressive of her integrity, faithfulness and devotion. In the Epworth League she led forth with earnestness of lasting encouragement. As a member of the Methodist Episcopal Church she was always ready with "Here am I," and at her place true and faithful. In the social circle, a model of cheerfulness and gentleness. Therefore be it

Resolved, That, we, the members of Emory Chapel Sunday School hereby give expression to our heartfelt sorrow at the loss of our dearly beloved sister and co-worker in the vineyard of our Lord and Master.

Resolved, That this Sunday School tender its deep and sincere sympathy to the family of the deceased sister.

Resolved, That these resolutions be placed upon the Sunday School register and published in the newspapers of our county.

Saved His Sight
Perhaps His Life.

Blood Poisoning After Scarlet Fever.

Read the following from a grateful mother: "My little boy had Scarlet Fever when 4 years old, and it left him very weak and with blood poisoned with canker. His eyes became so inflamed that his sufferings were intense, and for seven weeks he

Could Not Open His Eyes.

I took him twice during that time to the Eye and Ear Infirmary on Charles street, but their remedies failed to do him the faintest shadow of good. I commenced giving him Hood's Sarsaparilla and it soon cured him. I have never doubted that it saved his sight, even if not his very life. And the case of my boy is not the only one that I know of where

Hood's Sarsaparilla

Has accomplished a great cure I remain, respectfully, ABBIE F. BLACKMAN."

Hood's Pills are hand made, and are perfect in composition, proportion and appearance.

Andrew Jackson's Prophetic Words.

"The corporations and wealthy individuals who are engaged in large manufacturing establishments desire a high tariff to increase their gains. Designing politicians will support it to conciliate their favor and to obtain the means of profuse expenditure for the purpose of purchasing influence in other quarters. * * * Do not allow yourselves, my fellow-citizens, to be misled on this subject. The Federal Government cannot collect a surplus for such purposes without violating the principles of the Constitution and assuming powers which have not been granted. It is, moreover, a system of injustice, and, if persisted in, will inevitably lead to corruption and must end in ruin."—From Jackson's Farewell Address.

To see these articles sets you thinking; to wear them makes you feel more like a man, and to pay for them requires less of the sweat of your brow.
