...and begun some... g and honorable career... of A. S. Abell the people... had learned to repose con- fidence in it and had always... resented to Democratic views.

...adhered conformably to every... of a Democratic organ, in avo- luntariness and espousing... of the cause of the party, its prin- ciples and its nonlineas. This had brought... to be consulted and read in every quar- ter of the State and in many parts of... Virginia. Its large circulation arose...

...from the fact that it had sought primar- ily to be a mirror of public sentiment, in other words, had been moulded by, rather than sought to mould the public.

...But a large circulation and the influ- ence of previous good character afford great and sometimes irresistible tempta- tion to color the opinions of a reading public. The Sun has yielded to the temptation and served notice of its in- tent to "play politics" on its own ac- count and without regard to its past party affiliations. This radical change in its policy should forewarn the public that henceforward The Sun is to be regarded as any other political agency with a per- sonal axe to grind.

...The people of Maryland should be informed that the Baltimore Sun no longer speaks for the Democratic party.

...It has wealth and can command the facilities necessary to the production of a first-class newspaper, but this does not make it more trustworthy than the Bal- timore American, which is Republican in its editorial expressions. The daily papers in Baltimore, as in any other large city, pay for and enjoy the same telegraphic press service. In this regard the Sun, American and Herald all stand on the same footing. As every newspa- per man knows, this is simply a matter of business.

...It is the pride and boast of every well regulated newspaper that its politics can not influence the statement of facts in its news columns, hence the news in any one honest journal is as reliable as what appears in any other. We trust that The Sun will, in its new political departure, like the American and other reputable journals opposed to the Democratic party, maintain this standard, and not throw itself open to the charge of down- right dishonesty as well as political unreliability.

...Those who never read the advertise- ments in their newspapers miss more than they presume. Jonathan Kenison, of Bolton, Worth Co., Iowa, who had been a member of the Republican party, and shouldered a rifle in his paper about how a prominent German citizen proposed to sue the editor, and to use his own words: "I neglected my rifle and of Ft. Madison had been cured. He also says: "A neighbor and his wife were both sick in bed with the smallpox, and they boy was over to my house and said they were so bad he had to do the cooking. I told him of Chamberlain's Pink Balm and how it had cured me, he got a bottle and it cured them up in a week. 50 cent bottles for sale by A. C. TAYLOR, Elicott City, Md., and W. R. RUDY, Mt. Airy, Md.

...Dr. J. A. DEASE, Kingston N. Y.—My wife has taken two bottles of your Dyspepsia Pills, and derived more benefit from them than from all the remedies which were prescribed. She had been for- mally taken. I have bought four more bottles, and if she continues to improve as she has, by the time they are all taken she will be perfectly cured. H. J. STONE, Linwood, Md.

...Low Rates to Washington by B. & O. Saturday and Sunday, April 28th and 29th, the B. & O. will sell round trip tickets to Washington for all trains, valid for return until following Monday at \$1.25.

Mr. H. R. Cole, Milville, New Jersey.

"C. T. Hood & Co., Lowell, Mass. 'Gentlemen:—Whenever I meet friends now whom I have not seen for some time, the first thing they generally remark concerning my health and healthy appearance. They ask what I have been doing. I have no answer for all: 'Oh! nothing, only taking Hood's Sarsaparilla.' I have been afflicted for thirty years with a dry

Scaly Eruption of the Skin, affecting at times my entire body but mainly confined to my limbs and more especially to my legs from my knees down to my feet. The skin had been a solid mass of dry scales for years, broke out about a year ago into running sores. At one time I had as many as nine on one limb which were about the size of a silver cent piece. They caused me great incon-

venience and suffering by their constant and intolerable itching. I was advised to take Hood's Sarsaparilla and after using one bottle I consider myself cured. The sores have long since disappeared, the scales are all gone, and my skin is as smooth as any one can wish. I have gained in weight from 120 to 160 pounds. I consider Hood's Sarsaparilla.

A Great Boon to All who suffer from skin and blood diseases. Accepted by my sincere and heartfelt thanks for the wonderful cure Hood's Sarsaparilla has afforded me." H. R. COLE, 175 South St., Milville, N. J.
